

# Chandalee

Chrisman  
Speaker & Writer

Chandalee's passion is to equip women with tools and confidence to study Scripture independently and guide women to become disciples who make disciple-makers. She has a passion and a gift for explaining difficult concepts on a level for all to grasp and understand. She desires to make Bible study and the practice of spiritual disciplines understandable and doable for all who pursue them.

## About Chandalee

### Retreat and Custom Sessions

- Women's Ministry since 2004
- M.A. in Christian Studies
- Writes studies and workbooks
- Develops and teaches hands-on tools for spiritual disciplines
- Teaches Bible studies and classes
- Organizes and teaches at retreats for women and students
- Facilitates church discipleship strategy and leads discipleship groups
- Develops leaders among the women in her church

## Endorsements

*"Chandalee speaks with sincerity and depth. Her ministry experience partnered with her sophisticated handling of Scripture has uniquely gifted her to be a leader in disciple-making."*

**--Leighann McCoy, author and founder of The Prayer Clinic**

*"Chandalee's years of ministry experience, discipling women of all ages and stages makes her the perfect speaker for your stage or retreat. She has a way of skillfully helping those she is ministering to see how the living, active scriptures speak life-changing truths to their lives. You will leave with practical application and a heart full when you have the joy of having her speak at your event."*

**--Jennifer Hand, author and founder of Coming Alive Ministries**

## Workshops Available

### How Do I Study the Bible?

Do your women say they don't know how to study the Bible? This workshop teaches basic components of Bible study and gives tools and suggestions to practice the habit of study.

### How Do I Become an Effective Pray(er)?

Are you or your women struggling to pray? Many women say they don't know how to pray, what to say or how to stay consistent. This workshop teaches six basic components of prayer through a workbook/journal Chandalee created to help practice the habit of prayer.

### How Do I Disciple?

"Go and Make Disciples"... How do we do *that*? This workshop teaches why discipleship is important, a basic strategy of discipleship, and gives suggestions on how to develop bonds and lead discipleship groups.

### Retreats and Custom Sessions

Topic and theme based on your event and what your group's needs are.
